Foreword

A 9
1961

IN the General Minutes of the Annual Conferences we present you with a factual record of each of the many ministers of The Methodist Church, several indexes that will be helpful in your work, and the statistical record of each local charge as reported by the several pastors to their Annual Conferences.

This year we have included more complete statistical data on the Methodist Church Overseas and a list of Missionaries in active service. We extend our heartfelt appreciation to The Division of World Missions and Woman's Division of Christian Service for providing us with this information for your General Minutes. It is our intention to expand this section from year to year in order to provide complete information on the work of our Church in the foreign field.

THE MINUTES

Only information pertinent to the permanent record of the Minister is included in the minutes of each conference, followed by the list of appointments for 1961-62. The numeral, following the name, represents the number of years the Minister has been appointed to the particular charge. Supply pastors are listed in italics.

THE INDEXES

Following the list of Missionaries in Foreign Service are several indexes, such as "Ministers Serving as Chaplains in our Armed Forces and Elsewhere," new this year; "The Class of 1961," a listing of all Ministers received into full connection during the year; and others that are self-explanatory. In so far as possible, we have arranged the indexes according to Jurisdiction for more convenient reference.

THE STATISTICAL TABLES

The Statistical Tables and Recapitulations are listed according to Jurisdiction, in exactly the same Jurisdiction and Conference order as the Minutes. In all cases we have balanced the membership figures against the figures in the 1960 Annual Minutes; where there have been discrepancies that we have not been able to reconcile with known changes in charge lines we have used our 1960 figures as starting bases.

THE INDEX OF MINISTERS

An alphabetical listing of all ministerial Conference members, denoting the page and column number where any specific minister may be located in our General Minutes, will be found at the back of the book.

Our thanks and deep appreciation to all the Secretaries, Statisticians, and Treasurers of the various Conferences for sending their material to us for inclusion in the General Minutes.
